LAND ACKNOWLEDGEMENT

The land on which this building sits and that has been walked on, hunted on, and lived on for thousands of years. It is the Traditional land of the Treaty 7 First Nations and Metis Districts 5 & 6, and it is with humility and respect that we give thanks that we are here, in the space where we are in touch with the Creator who made it and who made us.

May our worship honour the relationships that are celebrated and invited here, and may we always remember the story of this land, the people who live here, and the call to live with respect and thanksgiving.
